Our several choruses, the Boys' and Girls' Choruses and the more select Mixed Chorus and ensembles have again, under the excellent direction of Mr. Carl Snyder, made this a wonderful year for music. They have performed beautifully in both concerts and contests. This is the first year that every chorus member has been garbed in a robe. This change has served a double purpose in improving the appearance of the choruses and also in inspiring each member to do his best. It is due to the remarkable ability and talent of Mr. Snyder that our choruses have not been mediocre, but certainly outstanding.

Bob (a great guy)  
 I haven't got much to read  
 say is you because you read  
 what I wrote to Tommy. That  
 wasn't very nice. I got so embar-  
 rased when Steve read it and then  
 you read it. But anyway, you're  
 very cute and have a darling personality.  
 Although you're quiet, I wish I was in more  
 classes with you. Lots of luck in everything you  
 do.  
 Love ya,  
 Marianne

Dear Bob, B.M. (B.F.)  
you're a great guy  
yourself, for a freshmen but  
I really have nothing against  
them. We really did have a  
good time this year and I  
doubt if I'll ever forget it.  
Next year I'll be in the  
High school (it's about time) and  
I'm looking forward to it.  
Good bye and good luck.

Love,

## ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

that boys and girls could see themselves others see them, a full-length mirror was called in the main corridor of a high school Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When you buy a mirror, be sure it's made of L.O.F. Parallel-O-Plate® glass, twin-ground for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.

Bob (lover),

We've had a regular riot this year and it's really been fun. You are a great guy, even though you are getting a little bit fat. This spring our new track was put to good use by the girls as well as the boys. The girls had two track meets; one, a large, six-school meet at Maumee High School, and the other on our own track with Perrysburg. No great honors were won at either meet, but the team had fun practicing and feels confident that it will have more success next year.

The tennis team could often be seen practicing at the tennis club on sunny afternoons. They have had matches with several local schools and have built up a fine reputation.

We find Miss MacDonald slightly astonished as she is presented with a present from the senior girls—a beautiful light blue cable-stitched sweater.

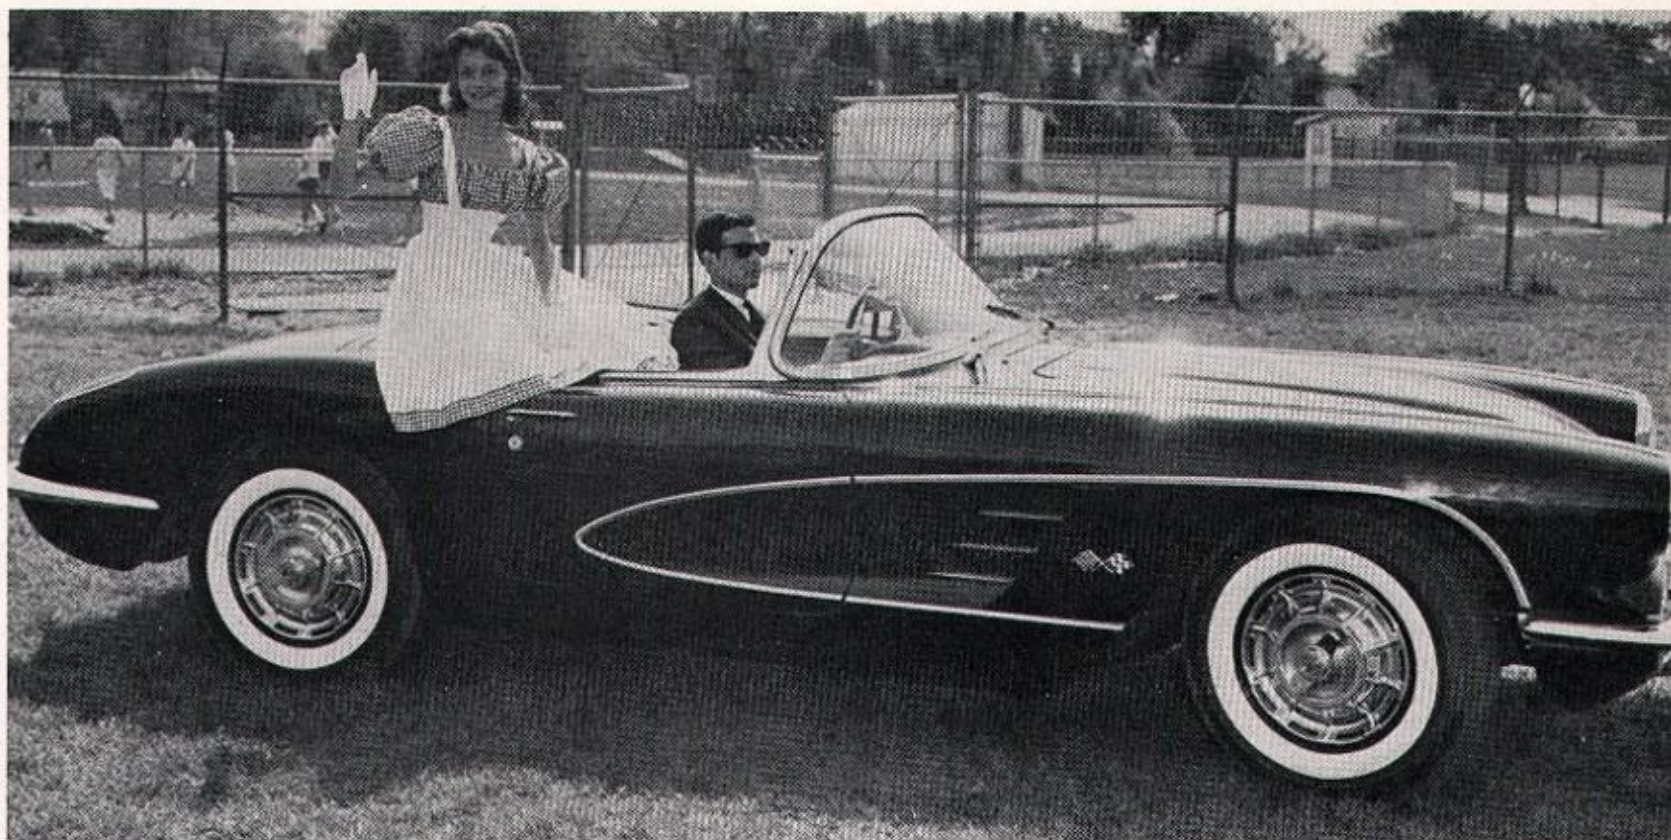

Like all parties, our party had its ups and downs. Right!, Mimi and Ginny?

"Look at the birdie!"

# SEAWAY LEAGUE NIGHT RELAY MEET

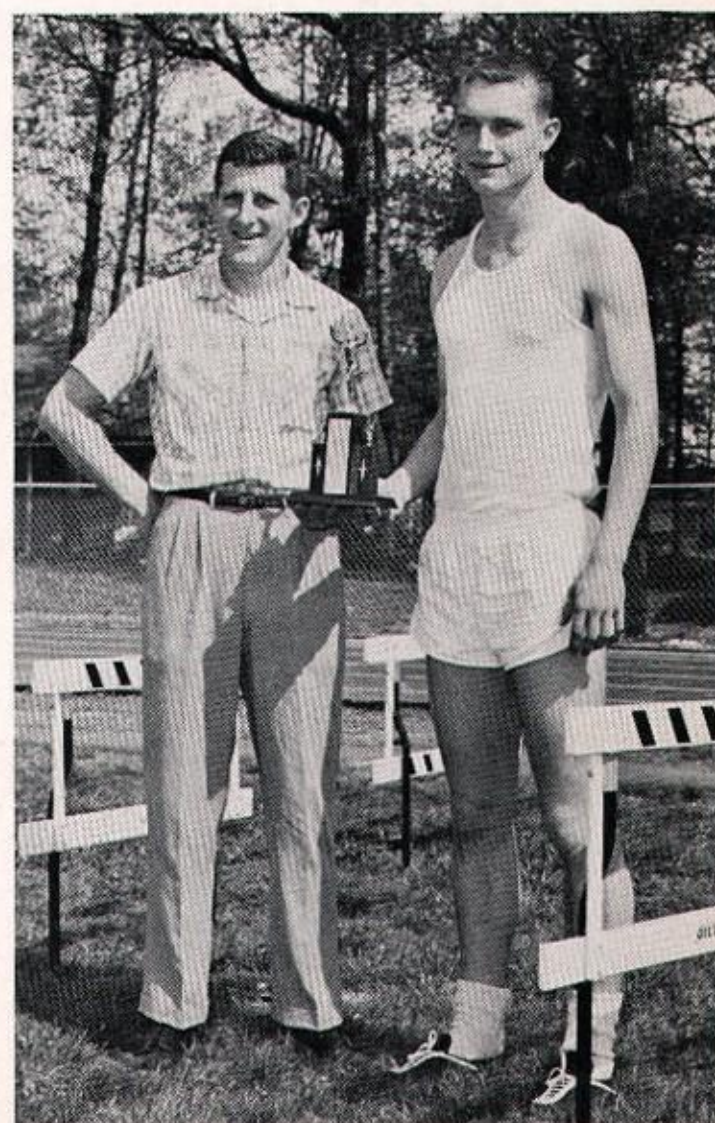

Jill Ingels reigned royally as our first lovely Night Relays' Queen. Queens from two other schools participating in the meet were also present for the festivities but we all felt that Jill stole the show!

(Left:) The candidates from the Junior and Senior classes were respectively Sue Pillifant and Julie Bower.

(Below:) Track Coach, Mr. "Mike" Shatusky, and Captain Ed Hamway display our first track trophy.

This year, with the culmination of our first real track season, a new tradition was started at Ottawa Hills. On May 13 at 8:00 in the evening the Varsity Club sponsored a track meet among Elmore, Lakeside, North Baltimore, and Ottawa Hills. Queens were chosen from Elmore, Lakeside, and Ottawa Hills, who at intervals in the meet presented awards to the winners of the individual events. The highlight of the meet took place when Jill Ingels awarded Captain Ed Hamway with Ottawa Hills' first track trophy for winning the Seaway League Night Relay Meet. We hope that the winning of this award will also become a tradition at O.H.

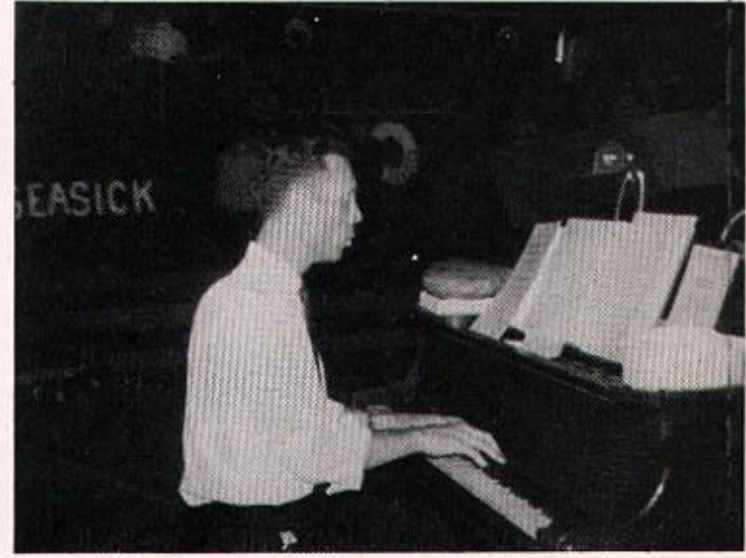

# SPRING CONCERT

(Left:) The huge success of the concert was due to the tremendous efforts put forth by Molly Williams and Casey Taylor, the co-chairmen. Sharon Marks was also a co-chairman but was a little camera shy.

(Right:) Up to the last minute Mr. Snyder worked with the choruses to make sure everything was sounding the way it should.

The mixed chorus may have had to put in extra practice time but it certainly was worth it.

This year's concert, titled "Anchors Away," carried through the theme of an imaginary voyage starting out from Jamaica. On this voyage the sailors met the famous Captain Neptune who told them all about Noah and his Ark, Jonah and the whale, and several other favorite sea stories. By the end of the program the sailors were safely returned to Jamaica.

## HOME EC. STYLE SHOW

The junior high as well as the senior high participated to make the style show a success.

Jill and Gail made a hit in their darling twin outfits which they made to wear to the post-prom parties.

Mother Goose and her famous brood, portrayed by 135 girls from grades 7 through 12, brought to the enthusiastic audience the world of fantasy through fashion. Pam Lumm, Sharon Marks, Carol Hardgrove, Pam Fowler, and Renny Bourne, coordinators of "Fantasy in Fashion," believed that through the medium of a nursery rhyme book, the audience's imagination would transport them to the land of fantasy. However, there was nothing imaginary about the climax of the show! Eloise, a monkey from the Toledo Zoo, modeled a most becoming blue and white striped sun dress while presenting a gift of appreciation to Mrs. Harriet McClure, Home Ec instructor.

(Right:) Sue Fink was one of the models who showed off one of the "dressier" dresses made during the year.

# SENIOR SKIP DAY

Bonnie and Joel are hamming it up as usual. Gayle plays housewife again while fixing lunch for Terry.

All decide what to do and the girls have a gab session and get some sun.

# SENIOR BERMUDA DAY

Various shapes, sizes, styles and ooooooh, those legs!!!

Friends to the end!!!

Everyone ate his fill too. Isn't that right, Freya and Terry?

What's everybody looking at?

## IVY PLANTING TEA

These boys weren't too happy about coming to the tea but they survived.

# BACCALAUREATE SUPPER SENIOR BARBECUE

For this affair everyone dressed his best.

An attentive crowd watch the "Coachmen Trio," the entertainment provided by our parents.

This procession along the side of the school will be remembered always by the Seniors.

That obstacle course isn't so easy as it looks, is it Nan?

Sue and John look like real pros—or are they just holding each other up?

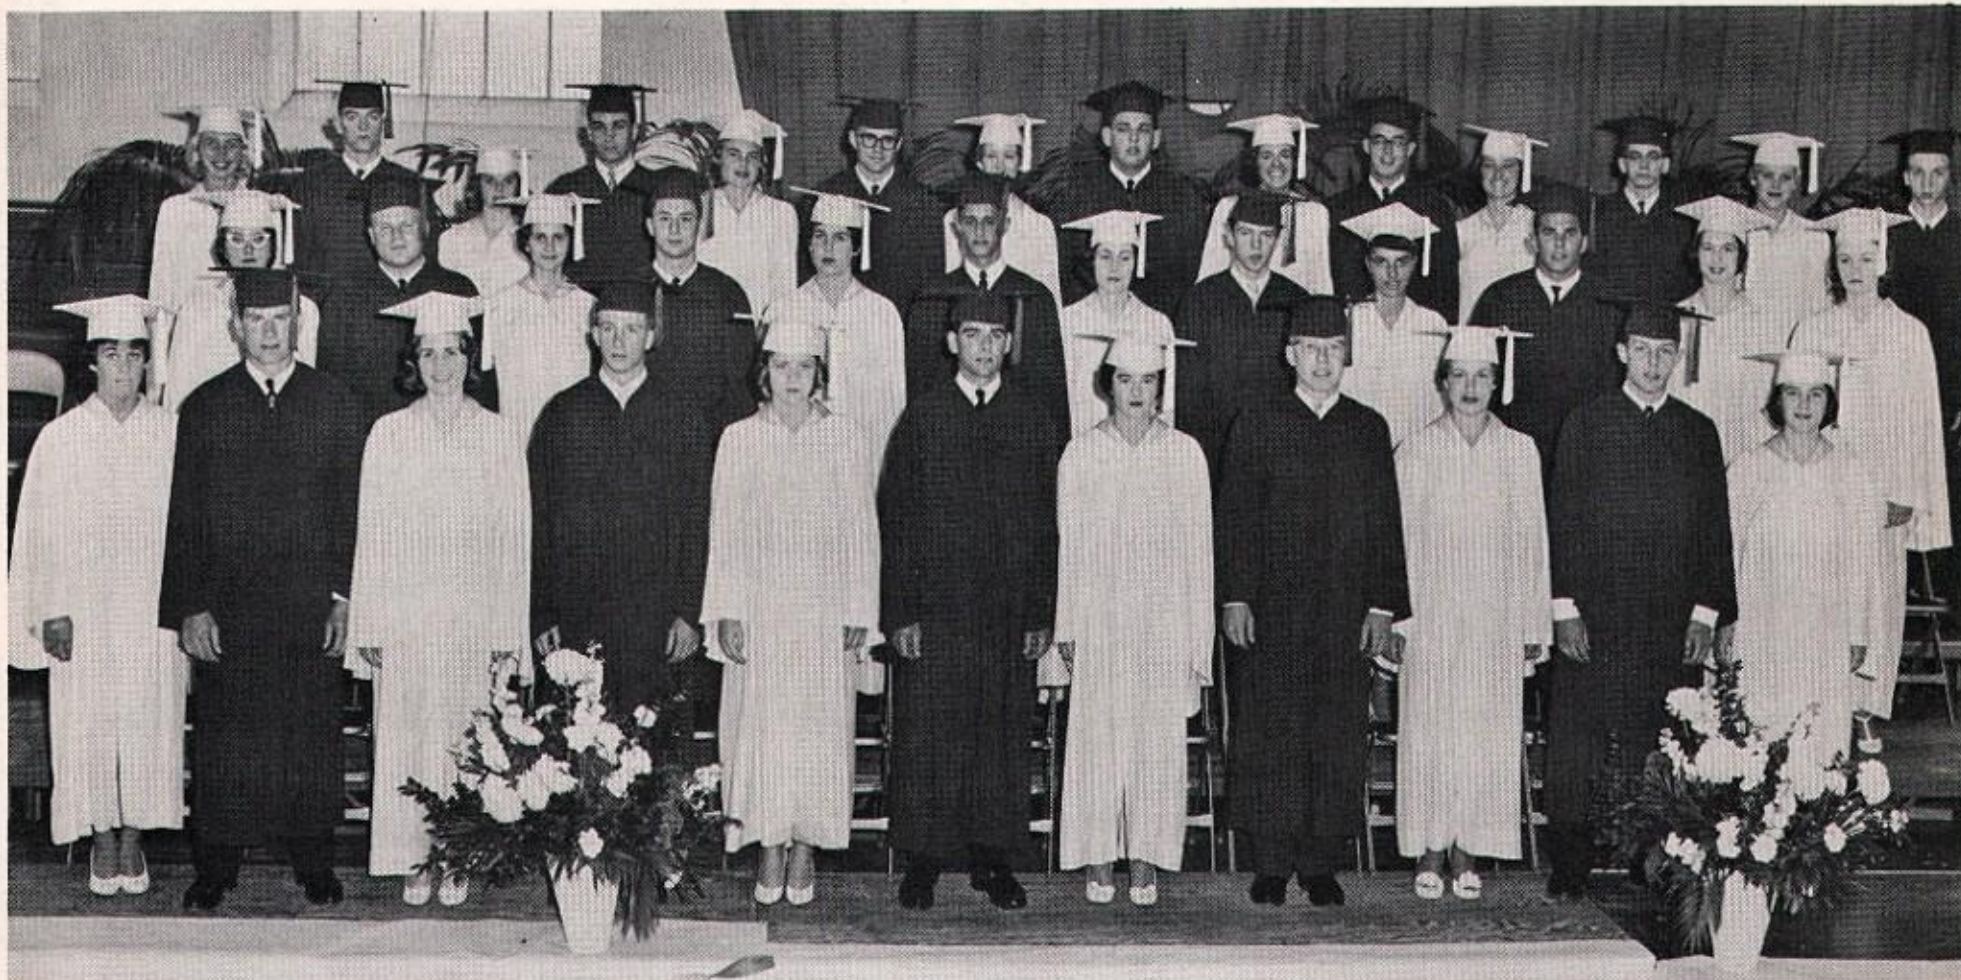

"The pause that refreshes!"

A couple of cute pin-ups, but Kathy doesn't look *too* sure of herself!

## *fabulous All Night Party.*

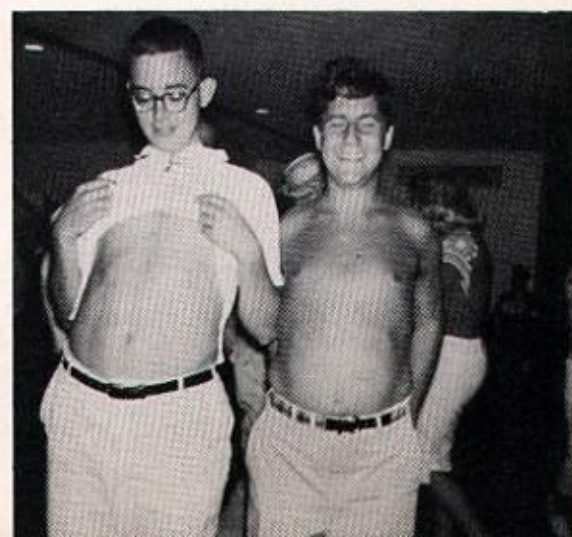

Rennie, Bob, George, and Merv kept up the fun as we traveled to our next unknown destination.

*(Right:)* At Glengary the buffet was fabulous — and was duly appreciated by all!

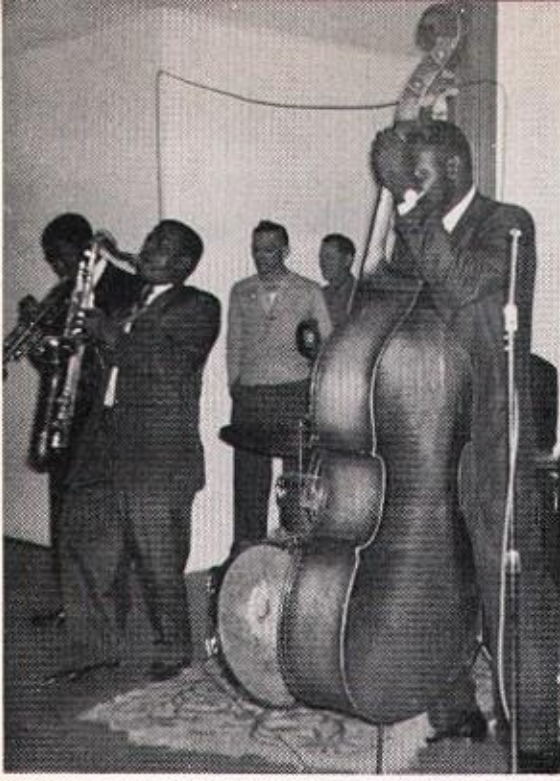

*(Left:)* Although there was plenty to do, everyone was willing to take time out for a picture.

*(Right:)* Poor Joel and Terry. They are so terribly undernourished!

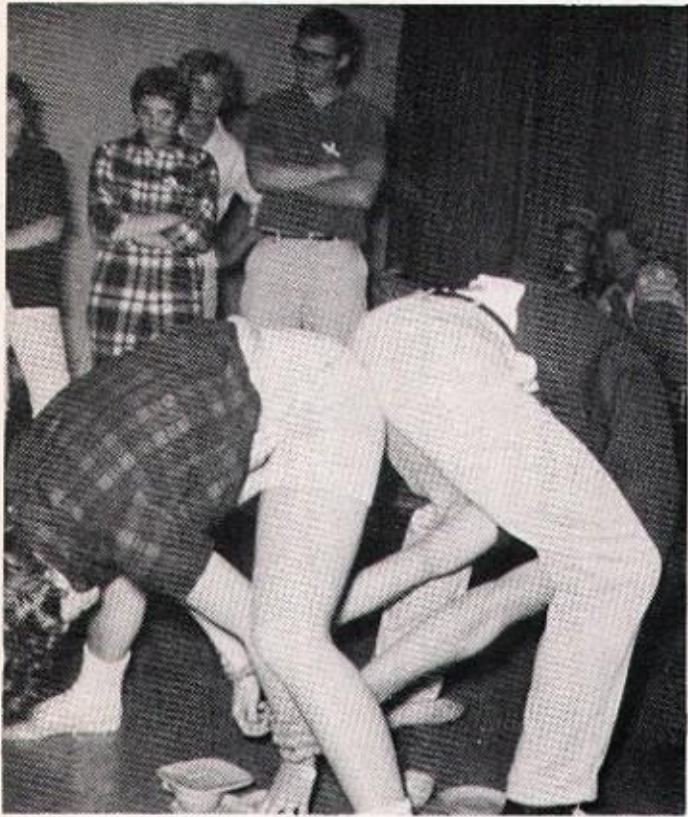

Turk Murphy's band really moved—even the chaperones danced!

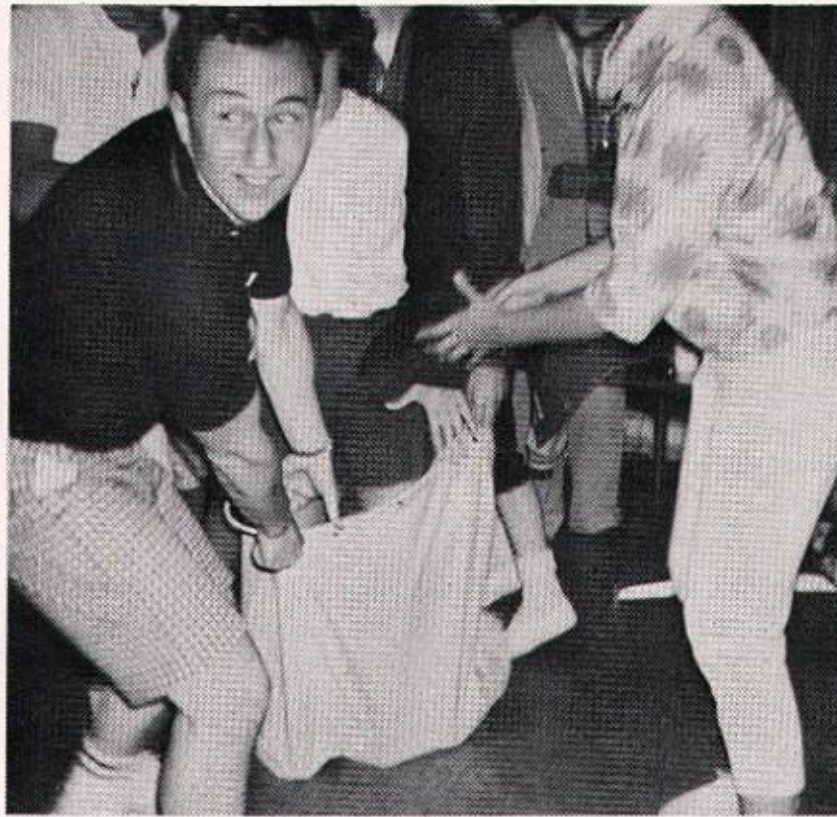

Then came the games—Carol and Bob seem to be doing o.k. Marcia, why are you so anxious?

Whoever thought of these *wonderful* games? Kathy and Bill look as if they have mastered this one—practice?

Pam and Ed seem to have a definite disadvantage in this game!

Merv and Jill are trying to help someone into the sack for this race—just wait till their turn!

Some of the braver ones went swimming. John looks happy — he must not have gotten wet yet.

One of the best parts of the breakfast was the melon balls—Marcia and Gail look happy and no wonder, they've got them all to themselves.

When Bill won't even look up to have his picture taken, the food must be good!!

How can anyone smile at 6:30 in the morning?

Judy, Molly, Diane, and Susie are showing signs of wear—you're not tired are you?

*Light plane record holder uses Champions!* Max Conrad set a new endurance record for single-engine, light planes last June . . . 7,668 miles non-stop! His Lycoming-powered Piper Comanche was sparked by Champions.

*Outboard record holder uses Champions!* Hugh Entrop holds the world's outboard motor record with a dazzling 107.8 miles per hour. His stock Mercury outboard was powered by Champion spark plugs.

*Land speed record holder uses Champions!* Mickey Thompson set a new American speed record of 363 m.p.h. at Bonneville Salt Flats last October. His car's four Pontiac engines were all sparked by Champions.

*Indianapolis record holder uses Champions!* Rodger Ward set a new record at Indianapolis last year at 135.8 miles per hour. Rodger, like 9 out of 10 race car winners, uses Champion spark plugs!

**Q.** Why do the record holders, in field after field, use Champion spark plugs?

**A.** Because they know they can depend on Champions to wring every bit of performance out of every drop of gas. Your car will perform better, too (and save money on gasoline) with new Champions. Put in a set every 10,000 miles!

*Worn spark plugs waste lots of gas —  
so check your plugs every 5,000 miles!*

**CHAMPION**
